Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations, Bill Stoddard; CO-OP Placer Project; S/015/0052; Emery County, Utah

Dear Mr. Stoddard:

The Division finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete. You are now permitted to conduct small mining activities as outlined in the amended NOI, provided you have approval from all other appropriate agencies. The approval or acceptance of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations. Enclosed please find a copy of the approved amendment to your NOI.

Thank you for your cooperation. In reply, please refer to file number S/015/0052. Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions or concerns regarding this approval.

Sincerely,

Paul B. Baker
Minerals Program Manager
